I have seen this myself at military meetings where the chaplains gives the benediction. They can't use in "Jesus Name" they have to use something that won't offend other faiths. In fact our Battalion Chaplin told me they are told to be sensitive to other religions when praying in front of the masses.

The world/satan is trying very hard to get Jesus out of our lives, isn't he?

But before all these, they shall lay their hands on you and persecute you, delivering you up to the synagogues and prisons, being brought before kings and rulers for My name's sake. And it shall return to you for a testimony. Therefore settle it in your hearts not to meditate beforehand what you shall answer. For I will give you a mouth and wisdom which all your adversaries shall not be able to gainsay nor resist. And you shall be betrayed also by parents and brothers and kinsmen and friends. And they will cause some of you to be put to death. And you shall be hated by all for My name's sake. But there shall not a hair of your head perish. By your patience you will gain your souls. Luk 21:12-19
